

*RocksExpo 2-PD Introducing Our Dynamic Planet:*

## Rocks (the Rock Kit Teaching Pack) & Plate Tectonics

**School:** Cobar High School, Wetherell Cres, Cobar

**Meeting Room:** tbc (attendees, to go to front office, sign in & get directed to the meeting room)

**Date:** Tue 6 Dec 2022, 3:30pm - 4:15pm **Rocks**, supper, 4:30-6:00pm **Plate Tectonics**

**School Facilitator:** Lena Fennamore

The RocksExpo experience includes–

1. **Incursions** – classroom lessons with students and teachers.
2. **PD workshops** – After-school professional development workshops for teachers (1- to 2-PD sessions @ \$25 per attendee for visiting teachers, FREE to host-school teachers).
3. **Accreditation** – Australian Science Teacher Association (ASTA) PD workshop accreditation.
4. **FREE rock kit** – Host to receive a FREE rock kit and Plate Tectonics poster.
5. **Introductory RocksExpo** feature How to Use the Rock Kit and Teaching Pack (e.g. how to relate rock kit rocks to rock stories, 3D rendered samples, virtual thin sections and virtual outcrops).
6. **Subsequent RocksExpo** topics can be chosen from TESEP's "The Challenging Earth" series (to be run once a year at host schools).
7. **Excursions** – possible second-year trip to field outcrops, mine sites, minerals museums etc.

**Presenter:**

**Phil Gilmore** is a keen ore geologist, who has worked in industry and in government. His work in several states gives him many exciting rock, ore and fossil examples to share.
