Professional Development Workshop Series in Earth and Environmental Science

RocksExpo 2-PD Introducing Our Dynamic Planet:

Rocks (Rock Kit Teaching Pack), Natural Hazards & Volcanoes

School: Coerwull Public School, 319 Main St, Lithgow **Meeting Room:** Infant Library

Date: Thu 3 Nov 2022, **3:30pm-6:00pm, PD for Primary School teachers (Lithgow)**

Fri 4 Nov 7:45am-9:30am, Sat 5 Nov 9am-11am – **Fieldtrip (2 sessions) – rock stories of town** outcrops with an experienced geologist, (with worksheets with Q&A for later use with students)

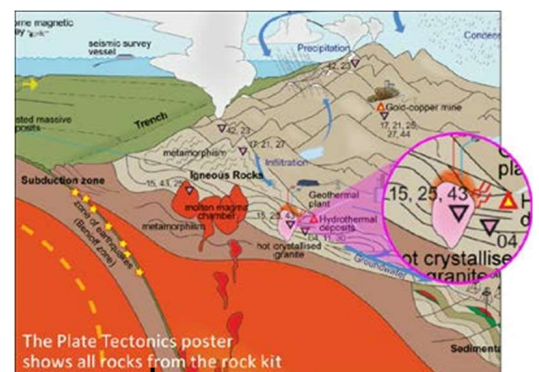

School Facilitator: Chelsea Walsh

The RocksExpo experience includes:

1. **Incursions** – classroom lessons with students and teachers.
2. **PD workshops** – professional development workshops for teachers (introducing teaching resources for the primary school classroom, FREE to primary school teachers).
3. **Certificate of attendance** – A certificate of hours and workshop outcomes will be issued.
4. **Introductory RocksExpo** feature How to Use the Rock Kit and Teaching Pack (e.g. how to relate rock kit rocks to rock stories, 3D rendered samples, virtual thin sections and virtual outcrops).
5. **Subsequent RocksExpo** topics can be chosen from TESEP's "The Challenging Earth" series (to be run once a year at host schools).
6. **Excursions** – possible trip to field outcrops, mine sites, minerals museums etc.

Presenters:

Phil Gilmore is a keen ore geologist and **Kevin Lanigan** is an experienced sedimentary basin geologist. Their work in several states gives them many rock stories and samples to share.
