

Professional Development Workshop Series in Earth and Environmental Science

RocksExpo 2-PD Introducing Our Dynamic Planet:

Rocks (the Rock Kit Teaching Pack) & Plate Tectonics

School: Trundle Central School, Croft St, Trundle

Meeting Room: tbc (attendees, to go to front office, sign in & get directed to the meeting room)

Date: Tue 30 August 2022, 3:45pm - 5:15pm **Rocks**, supper - **Antarctica** - short videos for students, 5:45-7:30pm **Plate Tectonics**

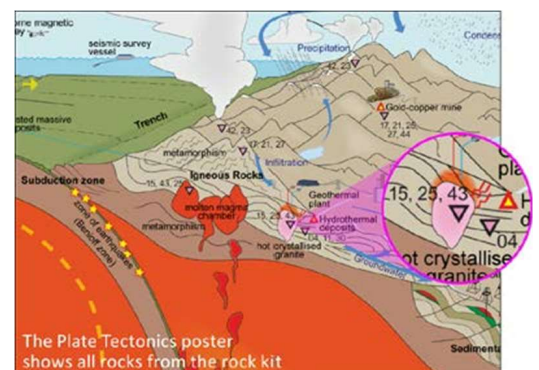

School Facilitator: David Lynn

The RocksExpo experience includes–

1. **Incursions** – classroom lessons with students and teachers.
2. **PD workshops** – After-school professional development workshops for teachers (1- to 2-PD sessions @ \$25 per attendee for visiting teachers, FREE to host-school teachers).
3. **Certificate of attendance** – A certificate of hours and workshop outcomes will be issued.
4. **FREE rock kit** – Host to receive a FREE rock kit and Plate Tectonics poster.
5. **Introductory RocksExpo** feature How to Use the Rock Kit and Teaching Pack (e.g. how to relate rock kit rocks to rock stories, 3D rendered samples, virtual thin sections and virtual outcrops).
6. **Subsequent RocksExpo** topics can be chosen from TESEP's "The Challenging Earth" series (to be run twice a year at host schools).
7. **Excursions** – possible second-year trip to field outcrops, mine sites, minerals museums etc.

Presenter:

Simone Meakin is a keen palaeontologist geologist, who has worked in industry and in government. Her work in several states gives her many exciting rock and fossil examples to share.
